RE : Air Pollution Control Permit to Construct
GTLE Dakota Plant 1 LLC

DATE : June 19, 2009

On June 19, 2009, the North Dakota Department of Health issued an Air Pollution Control Permit to Construct for the GTLE Dakota Plant 1 LLC coal beneficiation plant located near South Heart, North Dakota.

The Department appreciates the public interest and involvement in this project. In view of the comments that were received, conditions relating to fugitive emissions and coal analysis have been added to the permit.

The final permit, response to comments and other documents related to the facility can be found at the Department's website at: <http://www.ndhealth.gov/AQ/Notices.htm>.

If you do not have access to the internet or you have other questions, please contact Craig Thorstenson of my staff at (701)328-5188, by email at cthorstenson@nd.gov or by writing to the following address:
